The Heroic Dozen!!

To date we have a "Heroic Dozen" of members who have sold ten tickets or more to our Annual Show. Their sales combined represent 241 of the 273 tickets sold by us members.

Most of these buyers did one or two things:
 1. They stuck their necks out and bought a bunch to sell to their friends, church members, business contacts, etc. and/or
 2. They called people on the phone lists that were passed out to the members and worked old contacts from prior year.

Suggestion: Suck up your courage and work the phone list you were given -- these are prime buyers who have attended past annual shows. After the first one or two phone calls courage "ain't needed no more." Just be persistent. You will get sales and like some of best sellers you can be working your old contacts next year.

Onward and upward.

RICK, DA TICKET MAN

VLQ

Gentlemen,

We're not always aware of everything that goes on to make our chapter run. In fact, most of the wonderful things which just seem to "happen" are actually the result of planning and effort by many guys working behind the scenes. They're the ones who create great things for the Aloha Chapter.

Today I'd like to give you an inkling of just one thing some of our members are doing. Next month, our Very Large Quartet (Anthony Joyce, Mike Darcey, Jonathan Spangler, Jordan Wong, Bobby Ing, Kawika Mitchell, Tim Hopkins, Glenn Crowder, Ken Foreman, Zig Pelagyi, Phil Wee, and Rob Hartley) is making a number of presentations to singing groups to promote the May show. Their schedule is below. The Sounds of Aloha Chorus is sometimes called "the best kept secret" in our local choral community. By singing for other choral groups, we're targeting people who have already indicated that they enjoy choral singing. My guess is that we'll sing for about 400 of the best singers in town. Directors and young singers will be offered comps; everyone else will purchase their tickets. How many extra ticket sales will result? Don't know, but my guess is more than 100.

Next time you're talking to a VLQ member, you might thank them for all they do to help make the Aloha Chapter the special chapter that it is. And, by the way, are you doing a little something extra too?

Rob

PHONE SOLICITATION GROUP

Gentlemen,

To support our trip to Brisbane, Australia for Pan Pacific 2011 Convention / Contest, the Sounds of Aloha have set a goal of selling 1,800 tickets to our 2010 Annual show. One of the ways we hope to achieve that goal is the team effort of a phone solicitation group that will meet at Rich Cordeiro's home on **March 20 from 12 to 4 PM**. We hope you will choose to join us. We have done this in the past and members who do not enjoy sitting by themselves and calling people say that being part of the group makes contacting people and inviting them to the show easy and a lot of fun! This is not "Cold Calling"; we are calling people who have recently attended our shows and have volunteered their phone numbers, so these are people who will appreciate hearing from you and thank you for thinking of them. This approach has been very successful in the past. If you are willing to help by selling tickets in this way, please let Bill Joor at 488-3661 email billjoor@aol.com or Rich Cordeiro at 294-9294 email rjcordeiro@hawaii.rr.com. They will give you a script, show info, and list(s) to make calls from. Remember to bring your cell phone fully charged.
