WANNA SING IN A QUARTET?

Quartetting can be one of the most enjoyable activities our hobby has to offer. Most guys just don't know how to get started finding 3 other singers of similar interest. Some just want to "woodshed" (the barbershop equivalent of a band "jamming") and others would like to form a registered quartet to participate in our shows or competing. In the past the chapter has had as many as 6 functioning quartets. We would like to help you find like minded guys in the chorus to form a quartet of your liking. A questioner will be distributed at the meeting to determine your interest. Please fill it out and return it to Bill Joor.

Annual Banquet

Jan. 29 2012

5:30 PM

Tree Tops

3737 Manoa Road.

Please pay Dan tonight if at all possible to minimize money exchange on Sunday.

Rob Hartley has been doing the job as our Director, but has been out of contract for some time. We are creating a committee to review the terms of our Director's agreement so we can once again stabilize our Director situation. Anyone interested in being involved with this discussion, should contact Mike Darcey to get you on that list.

Although you can see Mike during the meeting and hope he doesn't forget to add you in, email is best madarcey@gmail.com . Review of the agreement will take place from Mid-January to Mid-February.

WHO DA GUY?

The same ship almost sank on another occasion even without his help
